13th November, 2020

Dear Parent/ Carer,

I am pleased to inform you that from **Monday 16th November** we are able to open our car park area as a **DROP OFF ZONE** in the morning and for collection in the afternoon.

It is extremely important that parents and carers use the car park following the below protocols if this is to be successful.

Drop Off Zone Protocols:

AM

- **Only stop in a marked car park bay.** If there is not a space available, please park on the surrounding streets and walk your child into school.
- You are responsible for ensuring your child/children reach the footpath at the edge of the car park before returning to your car.
- Children should be able to walk around the school grounds to their classroom independently to ensure that the bays are quickly vacated for other vehicles. **If you wish to walk your child to their class door, or they are too young to walk round independently, please continue to park off school grounds.**
- **Drop off should take place between 8.40am and 8.50am.**
- **Parents/carers should use the bay for as short a time as possible.**

PM

- **Only stop in a marked car park bay.**
- **Parents/carers should use the bay for as short a time as possible.**
- For older children, staff will radio through for your child which will hopefully decrease the time the bay is required. As your child approaches, please collect them from the path to ensure their safety walking across the car park.

It is likely that the car park will be busy, please take extreme care when driving on site. We would ask that pedestrians do not walk on the main school drive but use the Grains Road or ginnel onto Scarr lane for entering and exiting the site.

We really want the opening of the car park area to be successful and hope that everyone will be courteous to each other. However, should we find that protocols are not being adhered to, unfortunately, we will have to close the car park area and make the site 'pedestrian only' again.

Thank you for your ongoing support.

Kind regards,

Mrs R Ross
