

## Primary PE and Sports Premium

### Key achievements to date until July 2020:

- Existing school staff and partnerships with external agencies including Oldham Sports Development and POGS helped children to develop skills in dance, multi-skills, **football**, **swimming**, cricket, **hockey**, **handball**, **athletics**, rounders, **netball** and dodgeball (Level 1/ **Level 2**) outside of Covid restrictions.
- Children attended off-site tournaments in **handball**, **dodgeball**, **netball**, **athletics**, **football** and **hockey** outside of Covid restrictions.
- Swimming is an important life skill and can encourage a healthy and active lifestyle. In 2019/20 - 100% of year 6 leavers could perform safe-self rescue in different situations. 90% could swim competently, confidently and proficiently over a distance of at least 25 metres, 50% could use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)
- All classes are timetabled 2 hours of PE per week. During Covid restrictions this was continued outside as much as possible. Systems are in place to track children's participation in school sport and games and opportunities are provided to attract less active young people to participate in physical activity. 30% of children were engaged in extracurricular sporting activity every week with 7% of previously non-active children engaging for the first time in 2018/19. After school clubs have not run through Covid.
- Continued investment in the Professional Development of key staff – including specialist coaching working with all staff, release time and cover for attendance on courses, network meetings and sporting events within the local schools' cluster group. PE coordinator has

### Areas for further improvement and baseline evidence of need:

- Continue to develop and create new partnerships with external agencies.
- Work with all stakeholders / listen to pupil voice to create a planned calendar of activities that pupils are interested in accessing to promote children's health and wellbeing.
- Activities to develop fine motor skills and master basic movements.
- Continued investment in the Professional Development of key and new staff through whole school training and development of our school PE offer.
- Develop and maintain active links with local community and leisure providers.
- Develop Sports Leaders to increase percentage of children involved in leading, managing and officiating school games activities either during Sports Week or as part of the Sports Leader programme.
- Increase the 'extra-curricular' offer to include a variety of sporting sessions. – Covid restrictions permitting.
- Ensuring that PE is threaded through EY continuous provision.
- Develop outdoor area and offer an improved variety of resources, provision and safe storage to support and enhance the physical wellbeing of pupils, particularly during unstructured times of the day such as lunch and break times with a focus on encouraging pupil's being active.
- Investment in the Professional Development of all staff – including online and/or twilight training from specialist coaches working with

actively engaged with their School Games Organiser by hosting and attending CPD opportunities and workshops.

- Developed and maintained active links with local community and leisure providers
- Provision of a wide variety of resources to support and enhance the physical wellbeing of pupils – Outdoor provision and storage.

all staff, release time and cover for attendance at the above and network meetings within the local schools' cluster group.

- ECSTG has been developing the whole school curriculum over the last academic year and through the next academic year this will continue. PE will be a key focus of the curriculum development with a high level of subject leadership time allocated to the development of the PE curriculum to ensure it is fit for purpose for the pupils at ECSTG and utilises the local area and school grounds.
