

Good afternoon Parents/Carers,

Hope you are all keeping well and are ready for my weekly roundup of what's been going in school and what is going to be happening. That being said, I'll crack on because I've left it last minute dot com as per!

The children had a great time on Monday with the Commando Joe workshop. Your little soldiers did you proud displaying excellent listening, participation and manners. Well done to you all!

Tuesday saw a selection key stage two children competing at an inter-schools cross country tournament at Crompton House. Mr Parker tells me that the children did exceptionally well under horrible weather conditions (I did expect them to come back looking like creatures from the swamp). I've seen the course many times and it's a fair old distance so a huge round of applause to all those who took part!

Wednesday was the "Fur, Feathers and Scales" workshop for Reception and Year 1. They had a brilliant time and the children were very brave. Did you see the pictures on Facebook, there were some scary looking creatures (no not the staff, the actual animals). Thank you for your support in making this happen.

Thursday, I think the children just worked!

Today was of course Children in Need Day and it looks like we have raised well over £100! Thank you so much! The children and staff have looked lovely and colourful today. Lots of little Pudsies, very cute.

Next Thursday 23rd is Year 1 class assembly at 9am. Adults are invited to attend, in fact it's positively encouraged. I've heard the rehearsals and it sounds like you will be in for a treat!

I think that's a wrap for this week, see you same time (about), same place next week!

Take care and stay safe,

Mrs M Gledhill

Office Administrator
